Welcome to your Site Dashboard. Let's start with a dashboard orientation...

This is your administrative dashboard. Only you and other administrators will be able to access these panels. You may use them to manage all the features of Mukurtu. If you find yourself needing help at any time, make your way back to this dashboard by clicking 'dashboard' in the top right corner of your screen.

Notice how the boxes below correspond to different functions you can perform as a site administrator. In the following steps and videos, we will walk through some of these features together.

To get started, click the '[Site Setup](#)' tab and start setting up your Mukurtu Site. To leave this wizard at any time, click 'hide wizard' above.
